### **AUTHOR'S/SPONSOR'S STATEMENT OF INTENT**

Currently, Article 45.0511, Code of Criminal Procedure requires a defendant charged with a speeding offense or other specified traffic offense to have a valid Texas driver's license or permit, among other requirements, in order to complete a driving safety course or a course under the motorcycle operator training and safety program in lieu of paying certain traffic fines. H.B. 370 provides military personnel serving on active duty, who have not completed a driving safety course in another state within the preceding 12 months, the same rights and considerations as Texas residents, by allowing them the option of taking a driver safety course in lieu of paying a fine.

### **RULEMAKING AUTHORITY**

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
